RE: Interlake Material Handling, Inc.

Please be advised that Interlake Material Handling, Inc., a former self-insured company, filed a voluntary petition for protection under Chapter 11 of the U.S. Bankruptcy Code on January 5, 2009.

Interlake was self-insured during the period of 12/22/64 - 7/1/02.

The Self-Insurers Advisory Board will be administering the workers' compensation claims from the self-insurance period. The Attorney General's office is representing the Board on the claims and must therefore be notified of any motions or other actions taken before a commissioner or arbitrator.

The Attorney General's office will file a motion modifying the automatic stay to permit the adjudication and payment of pre-petition workers' compensation claims
