*This list is offered as a convenience to people searching for classes on workers' compensation and safety. The Commission does not endorse any of these programs. Please contact the vendor for more information.*

### -----WORKERS' COMPENSATION-----

#### **CHICAGO BAR ASSOCIATION**

312/554-2056                      [www.chicagobar.org](http://www.chicagobar.org)

The CBA offers in-person and online training programs that earn Minimum Continuing Legal Education credit.

#### **COUNCIL ON EDUCATION IN MANAGEMENT**

800/942-4494                      [www.counciloned.com](http://www.counciloned.com)

Various workers' compensation classes and seminars are offered.

#### **ILLINOIS SELF-INSURERS ASSOCIATION**

312/804-3534                      [www.illinoisselfinsurance.org](http://www.illinoisselfinsurance.org)

Each spring, ISIA attorneys review w.c. legal terms in the three-day "Nuts and Bolts Series," held in the western suburbs. It is designed to help individuals investigate, document, evaluate, and resolve claims.

Each fall, the ISIA also holds a two-day annual conference in the north suburbs. Topics have included cumulative trauma, a review of recent court cases, surveillance, etc.

#### **ILLINOIS STATE BAR ASSOCIATION**

800/252-8908                      [www.isba.org](http://www.isba.org)

The ISBA offers in-person and online training programs that earn Minimum Continuing Legal Education credit.

#### **ILLINOIS TRIAL LAWYERS ASSOCIATION**

800/252-8501                      [www.iltla.com](http://www.iltla.com)

The ITLA offers in-person and online training programs that earn Minimum Continuing Legal Education credit.

#### **LRP CONFERENCES**

800/727-1227                      [www.lrpconferences.com](http://www.lrpconferences.com)

LRP puts on a large, three-day National Workers' Compensation and Disability Conference in Chicago. There are classes on safety, legal issues, claims management, and return-to-work issues.

**LORMAN EDUCATION SERVICES**

866/352-9539

[www.lorman.com](http://www.lorman.com)

Courses have been offered in the Belleville, Chicago, Champaign, and Springfield areas.

**MICHIGAN STATE UNIVERSITY/WORKERS' COMPENSATION CENTER**

517/432-2209

[www.lir.msu.edu/wcc](http://www.lir.msu.edu/wcc)

In-person courses and webinars are offered.

**WORKERS' COMPENSATION LAWYERS ASSOCIATION**

[www.wcla.info](http://www.wcla.info)

The WCLA puts on monthly lunchtime classes, a fall medical program, and various other seminars that earn Minimum Continuing Legal Education credit.

-----OCCUPATIONAL SAFETY-----

**CONSTRUCTION SAFETY COUNCIL**

708/554-2082

<http://www.buildsafe.org>

The CSC puts on an annual construction safety conference in February, and offers the OSHA 10-hour course for the building trades, classes in CPR, fall protection, silica, etc.

**GREAT LAKES CENTER FOR OCCUPATIONAL AND ENVIRONMENTAL SAFETY AND HEALTH**

*University of Illinois/Chicago*

312/413-1113

<http://publichealthlearning.com>

GLC offers a variety of programs in asbestos, ergonomics, occupational medicine, OSHA compliance, etc. As a NIOSH Educational Resource Center and a World Health Organization (WHO) Collaborating Centre, it offers a number of special resources. It also offers an Injury and Workers' Compensation Analysis Program intended to prevent accidents and lower costs.

**NATIONAL SAFETY COUNCIL**

630/285-1121

[www.nsc.org](http://www.nsc.org)

The NSC offers classes in accident investigation, confined space safety, electrical safety, ergonomics, industrial hygiene, job analysis, lockout/tagout, OSHA's 10- and 30-hour construction programs, safety techniques, etc. The Advanced Safety Certificate (ASC) is awarded to individuals who complete certain courses. The NSC is also willing to answer phone calls regarding safety issues.

**NATIONAL SAFETY EDUCATION CENTER**

815/753-6902

[www.earnyourcard.com](http://www.earnyourcard.com)

The Construction Safety Council, National Safety Council, and Northern Illinois University jointly operate this OSHA-approved training center. It offers classes in various locations.

**SAFETYMAN HERE-I-AM**

815/337-7785

[www.safetyman.com](http://www.safetyman.com)

Safetyman conducts OSHA-authorized safety training programs, as well as safety audits and accident investigations.
